Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9 a.m. Friday, February 9, in the conference room of the Secretary of State's Office, Room 130, Memorial Hall, 120 S.W. 10th Ave., Topeka, to consider proposed amended Kansas Administrative Regulations 7-24-2, 7-25-1, 7-26-1, 7-26-2, 7-28-1, 7-29-2, 7-36-4 and 7-38-1, which pertain to elections. These regulations are proposed for adoption on a permanent basis.

K.A.R. 7-24-2 amends the prescribed form for election supply receipts by allowing county election officers to adopt their own form. The form contained in the regulation will be considered sufficient, but not mandatory. There is no economic impact on the general public, and any economic impact on counties should be lessened by allowing them to adopt their own forms.

K.A.R. 7-25-1, 7-26-1 and 7-26-2 are amended to reflect the date change from 19_____ to 20____. Updating forms to reflect the new date may impose a minimal economic impact on the counties. There is no economic impact on the

general public.

K.A.R. 7-28-1 is amended to comply with the Kansas Court of Appeals decision *Cline v. Meis*, which limited the application of the regulation. There is no economic im-

pact.

K.A.R. 7-29-2 prescribes ballot colors for different types of elections. The regulation is amended to include a light green ballot for miscellaneous elections that are not currently covered by the regulation, e.g., watershed district elections and drainage district elections. Adding colored ballots may impose a minimal economic impact on counties. There is no economic impact on the general public.

K.A.R. 7-36-4 is amended to update the regulation's

history. There is no economic impact.

K.A.R. 7-38-1 amends the National-Change-of-Address (NCOA) system of updating voter lists. The regulation is amended to coordinate with the statute, which allows election officers to conduct mass or target mailings in-

stead of participating in the NCOA.

This 60-day notice of public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. Comments may be submitted prior to the hearing to Melissa Wangemann, Legal Counsel, Office of the Secretary of State, 1st Floor, Memorial Hall, 120 S.W. 10th Ave., Topeka, 66612.

All interested parties will be given a reasonable opportunity at the hearing to present their views. It may be necessary to request each participant to limit any oral presentation to five minutes. Any person requiring visual or communication aid or assistance, building access assistance or other similar assistance should contact the Secretary of State's Office so appropriate arrangements can be made.

Copies of the regulations and the economic impact statements may be obtained at the address above or by calling (785) 296-2114.

Governmental Ethics Commission

Opinion No. 2000-34 Amended

Written November 16, 2000, to David W. Walker, Ombudsman/Claims Advisor, Kansas Department of Human Resources, Topeka.

This opinion is in response to the Kansas Governmental Ethics Commission's decision to reconsider its June 21, 2000, decision concerning the State level governmental ethics laws (K.S.A. 46-215 et seq.). We note at the outset that the Commission's jurisdiction is limited to the application of K.S.A. 46-215 et seq., and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you initially requested this opinion in your capacity as Ombudsman/Claims Advisor for the Workers Compensation Division of the Kansas Department of Human Resources. You explained that as a part of your state duties you are required to attend speaking engagements before groups of employers. Recently, you were asked to attend two such events. The first event was a luncheon speaking engagement before an informal group of Salina employers who regularly gather for lunch to discuss issues important to small business employers. During this discussion, the gentleman who invited you

purchased your lunch. The total cost was less than \$5.00. The second occasion occurred during a luncheon speech given to an association of physical plant managers. The association purchased your lunch, which, again, had a value of under \$5.00. In addition, the group presented you with a speaker's gift of a \$25.00 gift certificate to a local restaurant.

Question

May a state employee accept a meal and/or a speaker's gift when provided during a speech given in the performance of the employee's job duties?

Opinion

With respect to the acceptance of the speaker's gift, K.S.A. 1999 Supp. 46-237a(b) applies. It states:

No person subject to the provisions of this section shall solicit or accept any gift, economic opportunity, loan, gratuity, special discount or service provided because of such person's official position, except:

- (1) A gift having an aggregate value of less than \$40 given at a ceremony or public function where the person is accepting the gift in such person's official capacity; or
- (2) gifts from relatives or gifts from personal friends when it is obvious to the person that the gift is not being given because of the person's official position; or
- (3) anything of value received by the person on behalf of the state that inures to the benefit of the state or that becomes the property of the state; or
- (4) contributions solicited on behalf of a nonprofit organization which is exempt from taxation under paragraph (3) of subsection (c) of section 501 of the internal revenue code of 1986, as amended.

Under the facts you have presented, it does not appear that these meetings would constitute a public event or function pursuant to K.S.A. 46-237a(b)(1) nor does the acceptance of the gift fit into any of the other listed exemptions. Therefore, you would be prohibited from accepting these gifts. However, because this is a question of first impression, this opinion is prospective in application only.

With respect to the acceptance of the meals, K.S.A. 1999 Supp. 46-237a(c) applies. It states in pertinent part:

No person subject to the provisions of this section shall solicit or accept free or special discount meals from a source outside of state government, except:

(1) Meals, the provision of which is motivated by a personal or family relationship or provided at events that are widely attended. An occasion is "widely attended" when it is obvious to the person accepting the meal that the reason for providing the meal is not a pretext for exclusive or nearly exclusive access to the person.

The Commission now determines that meals provided to state employees in conjunction with a speech given in the person's official capacity on behalf of a state agency are presumed, in absence of facts indicating the contrary, not to be provided as a pretext for exclusive or nearly exclusive access to the person. A state employee may generally accept meals provided in conjunction with a speech given in the person's official capacity on behalf of a state agency.

Opinion No. 2000-52

Written November 16, 2000, to all interested persons:

Pursuant to K.S.A. 46-254, the Kansas Governmental Ethics Commission takes the opportunity to issue its opinion as to whether a person holds a substantial interest in a retirement account pursuant to K.S.A. 46-229 or K.S.A. 75-4301a.

Opinion

K.S.A. 46-229 and K.S.A. 75-4301a state in pertinent part:

(a) If an individual or an individual's spouse, either individually or collectively, has owned within the preceding 12 months a legal or equitable interest exceeding \$5,000 or 5% of any business, whichever is less, the individual has a substantial interest in that business.

The Commission now determines that a legal or equitable interest in a retirement account worth more than \$5,000 gives the individual an interest in that retirement account. Therefore, pursuant to K.S.A. 46-248 and K.S.A. 75-4302a, any individual required to file a statement of substantial interest form after the issuance of this opinion, must include his or her interest in a retirement account. For guidance the Commission notes that an individual must only include the name of the company that holds the retirement plan assets and not the specific holdings of that plan, unless the holdings are specifically owned in the individuals' name.

Opinion No. 2000-53

Written November 15, 2000, to Dwight Ritter, Oaklawn Improvement District, Wichita.

This opinion is in response to your letter of November 13, 2000, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the local conflict of interest laws (K.S.A. 75-4301 et seq.) and the state level conflict of interest laws (K.S.A. 46-215 et seq.). We note at the outset that the Commission's jurisdiction is limited to the application of K.S.A. 75-4301 et seq. and K.S.A. 46-215 et seq., and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you request this opinion in your capacity as a member of the Oaklawn Improvement District (District) Board of Directors and as the President of the Goldenagers Club. You have informed us that the Goldenagers is a private organization that meets in the Senior Center Building which is operated by the District. You have also explained that the District is a governmental subdivision with taxing powers. You have recently been elected to the District's Board of Directors and in December you will run for re-election for the position of president of the Goldenagers Club.

Ouestion

May a member of the Board of Directors for the Oak Lawn Improvement District serve as president of the Goldenagers Club?

Opinion

K.S.A. 75-4304 applies to the question you have asked. It states in pertinent part:

(a) No local governmental officer or employee shall, in the capacity of such an officer or employee, make or participate in the making of a contract with any person or business by which the officer or employee is employed or in whose business the officer or employee has a substantial interest.

. . .

(c) A local governmental officer or employee does not make or participate in the making of a contract if the officer or employee abstains from any action in regard to the contract.

(d) This section shall not apply to the following:

(1) Contracts let after competitive bidding has been advertised for by published notice;

K.S.A. 75-4301a(b) defines a business as "any corporation, association, partnership, proprietorship, trust, joint venture, and every other business interest. . . . "Barron's Law Dictionary defines an association as a "collection of persons who have joined together for a certain object." Barron's Law Dictionary 32 (1984). Consequently, the Goldenagers Club is considered a "business" for the purposes of the local level conflict of interest laws found at K.S.A. 75-4301a et seq. Pursuant to K.S.A. 75-4301a(a)(4), as president of this organization, you have a substantial interest in the Goldenagers Club.

Therefore, you would be prohibited, in your capacity as a member of the Board of Directors for the Qaklawn Improvement District, from participating in the making of a contract with the Goldenagers Club. Pursuant to K.S.A. 75-4301a(c), if you abstain from any action in regard to the contract, you would not be in violation of the level conflict of interest statistics.

local conflict of interest statutes.

K.S.A. 75-4305 must also be addressed, however. It states:

- (a) Any local governmental officer or employee who has not filed a disclosure of substantial interests shall, before acting upon any matter which will affect any business in which the officer or employee has a substantial interest, file a written report of the nature of the interest with the county election officer of the county in which is located all or the largest geographical part of the officer's or employee's governmental subdivision.
- (b) A local governmental officer or employee does not pass or act upon any matter if the officer or employee abstains from any action in regard to the matter.

Pursuant to this statute, if you had not already done so, you would be required to file a statement of substantial interests noting your involvement with the Goldenagers Club prior to acting upon any matter which will affect the Club.

With these restrictions in mind, there is nothing in the local level conflict of interest provisions which would prohibit you from holding a position on the Board of Directors for the Oaklawn Improvement District and serve as President of the Goldenagers Club.

Request for Comments

The Kansas Department of Health and Environment is proposing to reopen a five-year permit to the Gordon Evans Energy Center (Gordon Evans) pursuant to Title IV (Acid Deposition Control) of the Federal Clean Air Act and implementing regulations found at 40 CFR Parts 72 through 78. The effective date of the permit is from January 1, 2000 through December 31, 2004.

Gordon Evans proposes to comply with the Acid Rain Program emission requirements by holding enough allowances to cover all sulfur dioxide emissions. Issuance of this permit would not affect the responsibility of Gordon Evans to meet all other existing local, state and federal sulfur dioxide emission requirements.

The designated representative for Gordon Evans is James N. Wishart.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process is available for public review during normal business hours at the KDHE, Bureau of Air and Radiation, Building 283, Forbes Field, Topeka, and at the Wichita-Sedgwick County Department of Community Health, 1900 E. 9th, Wichita.
